

## DEMO REEL BREAKDOWN

**(All work was done by Ravena Scheffer unless otherwise noted)**

00: 00: 00 - The first animation you see is a little short I created to experiment with some simulations such as rain, fire, water and smoke.

00: 00: 28 – Johns Pass in St. Petersburg, FL (architectural rendering)

00: 00: 32 – Proposed Winchester Stadium (architectural rendering)

00: 00: 40 – Class project and The Art Institute, Online – I did the environment, and the first 2 buildings on the right, and animated the character. Everything else was done by classmates.

00: 00: 45 – “Marlin Fishing” done in acrylic

00: 00: 52 – “God Are You Out There” Done in watercolor

00: 00: 56 – “A Peaceful Place” Done in watercolor

00: 01: 00 – “Lionfish Man” Done in acrylic

00: 01: 08 – Shirlington Library in Shirlington, VA (architectural tour)

00: 01: 13 – Hampden-Sydney College gym, VA (architectural tour)

00: 01: 29 – Centreville Baptist Church, Centreville, VA (architectural tour) I did not model the 3D people but I animated them

00: 01: 52 – VA Loch Raven, Baltimore MD (architectural tour) I did not model the cars, but I animated them.
